

## SCOPE NEW YORK RETURNS TO LOCATION ONE BLOCK FROM ARMORY SHOW PIERS

**New York, NY:** The 16th edition of SCOPE New York returns to its location one block from the Armory Show Piers at Metropolitan West Pavilion. SCOPE New York's convenient and well-appointed venue will host 60 international galleries alongside a focused schedule of VIP events and tours.

Featuring a critically-acclaimed open-plan exhibition design, SCOPE New York maintains a decidedly thoughtful, polished presentation. Rather than an array of small booths, exhibiting galleries flow organically into one another, creating curatorial narratives that encompass the entire show.

Galleries are invited to register using SCOPE Art Show's newly launched EXHIBITOR RESOURCE CENTER (ERC), streamlining all aspects of fair participation on one convenient platform. Applications should be submitted by November 15th.

SCOPE New York opens on Thursday, March 3, 2016, with the Platinum First View and VIP Preview benefit, and will run March 3 - 6, 2016.
