MIAMI BEACH 2019 **PRESS RELEASE  
FOR IMMEDIATE RELEASE**

Celebrating its 19th edition, **SCOPE Miami Beach** returns to its bespoke pavilion on the sands of Ocean Drive and 8th Street. Honoring its perpetual mission to provide a platform for discovery, **SCOPE** will welcome 134 diverse contemporary exhibitors featuring **The New Contemporary**, a genre that stands as a critical contribution to both global politics and local community engagement.

New to the pavilion this year is **OASIS**, an experiential multidisciplinary program located in our expanded Atrium. **OASIS** will present daily programming featuring large scale installations, music performances, and panel discussions while continuing our long-standing commitment to **wellness**. Come enjoy morning healing programming, guided meditation, and CBD spa treatments, against the backdrop of beautiful South Beach.

Thinking global and working local, **SCOPE Miami Beach** presents **FOCUS | ART CHINA**, the new premier showcase of Chinese Contemporary Art in Miami. This program celebrates the global expansion of the genre by presenting museum quality cutting-edge work from both established and emerging artists spanning across disciplines.

Amidst praise from collectors, **SCOPE** will continue its acclaimed VIP Programming with an exclusive series of talks and events. **SCOPE** will also offer an exclusive shuttle service for VIP Cardholders courtesy of **Porsche**.

**SCOPE Miami Beach** opens on December 3, with its Platinum First View and VIP + Press Preview, and will open to the public December 4 - 8, 2019.
