

# SCOPE NEW YORK 2020

**SCOPE NEW YORK 2020 | CELEBRATING 20 YEARS**

**FOR IMMEDIATE RELEASE** - Following the critical success of Miami Beach, **SCOPE New York** returns for its 20th Anniversary show at the Metropolitan Pavilion in Chelsea with a focus on **The New Contemporary**.

This special edition show will host 60 international galleries and a focused schedule of events, performances, and special projects celebrating **SCOPE's** journey from entrepreneurial upstart to full-fledged heritage brand.

President and Founder **Alexis Hubshman** reflects,

*“Over the last twenty years, I’ve had a front row seat as the art world has transformed under the rise of the art fair. From scrappy upstart to creative R&D, **SCOPE** has played many defining roles in this reconfiguration of the gatekeeper. Much has come full circle in the past two decades since we started the original satellite art fair, and I am proud that **SCOPE** remains an incubator for new voices and a place that gives artists the opportunity to take risks.”*

**SCOPE New York** opens on **Thursday, March 5th** with the Platinum First View and VIP + Press Preview, and will run **March 6 - 8, 2020**.

Chemistry Gallery, Michal Cimala, Extended Head Series
